

## **Eligible Over-The-Counter Items FSA Medical Reimbursement Account**

Requirements include that the expenses be incurred by an eligible employee, his/her spouse, and/or their dependents during the plan year. The expenses may not be covered by insurance, and must not have been reimbursed through any other benefit plan.

This is intended to serve as a list of the most common eligible expense categories and is not to be considered a comprehensive list. Contact your Plan Administrator with any questions about medical expense eligibility.
